What is it about?

PRINCE2 Agile™ is the world's most complete agile project management solution, combining the flexibility and responsiveness of agile with the governance of PRINCE2®. Developed in response to demand from user communities,

PRINCE2 Agile provides structure, governance and controls when working with agile concepts, methods and techniques. Designed to help professionals tailor management controls when working in an agile environment, PRINCE2 Agile will help practitioners understand PRINCE2 governance requirements clearly and comprehensively as well as the interface between PRINCE2 and agile ways of working.

PRINCE2 Agile is supported by an exam and formal certification and delivered by our accredited trainers. As with PRINCE2, PRINCE2 Agile can be applied to any type of project within any industry sector.

What does the course cover?

✓ Understand PRINCE2 governance requirements clearly and comprehensively
✓ Gain a broad range of knowledge of agile concepts and techniques including: Scrum, Kanban, Lean Start-up and Cynefin
✓ Explore the interface between PRINCE2 and agile ways of working.

Do I qualify?

PRINCE2 Agile Foundation has no prerequisites.

Candidates can sit PRINCE2 Agile Practitioner if they hold any of the following project management certifications:
- PRINCE2 Foundation
- PRINCE2 Practitioner
- PRINCE2 Agile Foundation
- Project Management Professional (PMP®)
- Certified Associate in Project Management (CAPM)

Must I study before?

Delegates must devote 30 hours of pre-course study before attending the course.

Who Should attend?

- Anyone who delivers projects, large or small, in an agile context.
- Anyone working within an agile project environment, whether they're a project manager, project support or part of the wider project team.

How is the Course presented?

Our experienced internationally accredited trainers deliver interactive and practical experiences through:

- Classroom
- Virtual instructor-led on Zoom (requires laptop and stable internet connection)
- At your premises (for groups)

This is an intensive 4-day course:
- Foundation – 2 days
- Practitioner – 2 days

Based on demand, training is run during the week, on weekends or alternately during evenings.

What is included?

- Digital accredited course material
- PRINCE2 Agile e-Book (hardcopy available upon request, as an additional cost)
- Foundation sample exam paper and answer sets
- Full Practitioner sample exam paper, answer and rationale sets
- 4 days training
- Examination fees
- PDU and CPD points (ask us)

How will I be examined?

- **Foundation Exam**: Multiple choice, one-hour, closed book objective test. Delegates must obtain 55% (28 out of the 50 available marks).

- **Practitioner Exam**: Objective Test Exam (OTE), two and a half hour, multiple choice open-book exam. Delegates must obtain 60% (30 out of the 50 available marks).

The online exams are booked by the delegates themselves through their Peoplecert portal. These exams will be proctored by Peoplecert directly.

What's in it for me?

- ✓ Focus on both management and delivery
- ✓ Work with any established agile approach
- ✓ Be on time and hit deadlines more consistently
- ✓ Collaboratively build projects that are corporate-friendly
- ✓ Scale to your precise requirements and pragmatism
- ✓ Increase stakeholder confidence
- ✓ Use additional tools to manage and react to changing requirements.

PM Academy was established in 2005 (South Africa) and in 2016 (Botswana). Through practical experience we are delivering our vision, by providing a world class professional project management training and advisory services, to the African and international markets.

Testimonial

"The trainer ensured that the subject matter was comprehended. PM Academy goes the extra mile, thank you for that!."
